

Free Training

Self Directed Support and Direct Payments

“Choosing the Way you Live”

We are pleased to offer free “peer led” advice and training for people who are receiving social care, their carers and families. Learn how you can have choice and control over the support you need, by using self directed support and direct payments.

This training will be spread over 3 sessions and includes:

- How to manage your direct payments
- Support planning
- Employing your own staff

Book now to secure your place at one of these four venues:

(Some places are available for those working in care.)
