Cromwell Community College awarded GOLD!!!

Congratulations to Cromwell Community College who are the first school in Cambridgeshire to be awarded with their GOLD award for supporting young carers – what a fantastic achievement. Since the launch of the Young Carers in Schools (YCiS) programme in November 2015 in Cambridgeshire, more schools than ever have demonstrated their commitment to supporting young carers as a vulnerable pupil group. What are you waiting for – your school could be next!

Carers Picnic – Saturday 17th June

We will be hosting our annual family carers picnic on Saturday 17th June during Carers Week – the picnic is open to all family carers in Cambridgeshire but spaces are limited and booking is essential. Activities include sumo suits, bouncy castle, face painting, BBQ etc. To read more and download the poster for your young carer noticeboard, please follow the link below: https://www.carerstrustcambridgeshire.org/events/picnic-2017

Mick George Skip of Gold – Have you voted yet?

Our young carers service in Huntingdonshire could win £1000 if we get enough votes in the Mick George’s Skip of Gold competition. We are not commissioned to offer support to young carers in Huntingdonshire, therefore external funding is so crucial to ensure the service keeps delivering, please vote for us and share internally and externally within your organisations, family and friends by following the link below: https://www.mickgeorge.co.uk/community-sponsorship/competitions/hunts-skip-of-gold/

Add your school to the YCiS map!

Have you added your schools award to the Young Carers in Schools map yet? You can demonstrate a national goal to do more to support young carers by placing your school on Carers Trusts interactive map: https://carers.org/content/young-carers-schools-map

Fundraise for us!

Does your school hold regular charity fundraisers or have a charity of the year? Could we be your chosen charity? We rely on kind donators, grants and fundraising to keep support for over 300 young carers in Huntingdonshire alive. Do you have an idea for a joint fundraiser that we could support you with or would you like to fundraise in our name? Please let us know if you would like to fundraise for us by contacting Kate Bement on kate.bement@Carerstrustcambridgeshire.org
